An annual mammogram is recommended starting at the age of forty, even if there are no medical signs.

Until the end of the year, the campaign offers in:

- **Public Hospitals:**
 - The mammogram free of charge
 - The breast ultrasound for 30,000 LBP (if needed)
- **Private Hospitals and Medical Centers:**
 - The mammogram for 40,000 LBP
 - The breast ultrasound for 40,000 LBP (if needed)
